a concert will be given in the City Hall on against the Conference owners. The facts alone Monday night, the 6th inst., in aid of the funds | were produced at the hearing, and if the Lord of the Alice Memorial Hospital and the College Chief Justice is satisfied prima facie on these for Chinese students of Medicine. The programme will be published to-morrow.

A landslip occurred yesterday morning near Queen's Road West, close to where some coolies were at work, and two of the men were buried in the mass of earth which fell. The rest of the coolies immediately, took flight and some time elapsed before it was known that anybody had been so buried. The Police then immediately set to work, and after about twenty minutes the two men were dug out, but by this time life was quite extinct.

The Straits Times says :- By the M. M. mai steamer Natal the Rev. Bryant Wonnacott the Hon. A. P. MAGEWEN referred the other leaves for Hongkong, where he takes up the day in the Legislative Council means not duties of Military Chaplain for six months Mr. Wonnscott graduated M.A. at St. Mary's only considerable inconvenience to the com-Oxford, and since his arrival in Singapore in Fabruary, 1886, he has officiated as Military serious loss. We heard a case mentioned Chaplain and assisted at services at St. Andrew's Cathedral. He has already shown good promise the other day of an establishment which has as a preacher, and his earnest and anobtrusive manner has won him many friends outside of the worshippers at his own church.

A telegram in the San Francisco Call dated which is equivalent to the amount of the Washington, Jan. 25, says:-Representative Morrow introduced a bill in the house to-day granting an appropriation of \$5,000 to be exment of the rateable value of \$800. This pended under the direction of the Secretary of State in the purchase of presents for certain high rate of premium is not constant, but natives of Japan who resoued the survivors of the wreck of the American bark Cashmerc, which day argues a grave defect in the currency was destroyed off-the coast of Japan in Septemarrangements of the colony. > 1st March. IN APPEAL. BEFORE THE FULL COURT.

SUPREME COURT,

Ko Kai, APPELIANT, v. CHU TONG, This was an appeal against the decision

on that point was that he had simply continued a practice already in force. This practice was originated and introduced by Mr. Seth, the neevious Superintendent of Imports and Exports. Mr. Seth said he adopted this practice with the full knowledge and consent of the Qpium Farmer. and that the form "C" was first used. Subsequently, for convenience, he substituted the stamp. chop, or die, and he then went on to state the the Opium Farmer knew it was so. object and scope of the permission so granted-The object was to meet the convenience of shiphis physicians are using all means to dissuade Opium Farmer. He went to Mr. Lister and comhe plainly made a statement of the facts to Mr. authorities on the points of law raised.

her fortunately there was little or no wind, and that Exports. If one had acted contrary to the secmight just as well have put the Superintendent were several accidents during the conflagration, in the dock with the appellant and have con-The Attorney-General, in replying said he thought it would be convenient to follow the line of argument taken by the counsel for the appellant and address himsel to the five points raised by him. His learned

Club team not putting in an appearance at the to that he should say nothing. The conduct of the Opium Farmer would speak for itself, and of closely printed matter, to which reference is Hongkong, with its chopped dollars and prohibited the space under the verandahs from start was made. For the first part of the game he (the Attorney-General) was not called upon play was of a very even character, the two sides to justify the position he had taken up with regard to this matter. But this h might say, that the Opium Farmer stood there simply to ask for a proper con Vignoles, and after about ten minutes' play the struction of the law, and the enforcement of the law as defined in section 10 of the Ordinance. As regards his bona fides, the Opium Farmer did not appear, in the presecution before the on the alert and managed to save his goal. The Magistrate, to have pressed the case very hard, ball was then driven up the field, and after some inasmuch-as they had seen the penalty was merely a nominal one inflicted for the purpose of raising this issue. The Opium Farmer had no special position with reference to the probefore it was again returned, and for some time might be necessary to deal more fully later, but the Club's goal keeper had a very lively time of he thought it only fair to call the attention of the Court to it at the outset. He might define the Opium Farmer's position with reference to then Mackintosh getting the ball, and being well of a valuable estate which had been created backed up by Maclean and Vignoles, altered the built up, and protected by legal provisions, the aspect of the game for a short period. Vignoles | most important of which were the Opium Ordinthen got a chance, and drove the ball for the succes of 1884 and 1887. He was the holder for marks when the subject was under discus. Hand the service will be doubled, being made a goal, but the shot did not come off. Almost the time being of a monopoly, but this monopoly could not answer that question.

The Chief Instice said he say sion in the Council, will give his serious at. daily one with the exception of one day a week. immediately afterwards Maitland attempted to public revenue. He was just as much and no The new lines to be established are to Than-hou, score, but was not more successful. Shortly more a farmer in the case of the revenue than afterwards half-time was called, up to this period | man who hired a piece of land and cultivated i of these are to commence on the 1st May this year, others not until 1st May, 1889. There will be no additional subvention for the increased the game became very lively, each side making while he was a tenant to take reasonable pre-The desperate efforts to score. Pedler made several cautions that no undue waste or depreciation fine runs for the Regiment, but was too far off should be caused to the property of which he on either occasion to take a straight shot and was, for the time being, in one sense of the word a trustee, and therefore, prima facis, there was nothing unreasonable, oppressive, or unfair in the Hongkong and Shanghai Bank to issue provided that if the want of water should pro- rington then worked the ball down, but when the attempt to enforce strictly, the Johnstone was within a few yards of the goal, provisions of such an Ordinance as this. The Dickson, by a plucky rush, floored him and Bre- first contention of his learned friend was that the excise officer had no locus shandi; that for holder of a permit in this form would use it to win took the ball out of danger. Gibbs then such a case as that now before the Court he was broughtitbacksgain, when Maclean and Vignoles not an eligible presecutor, and the learned securing it, took it well up the field and Vignoles counsel had referred to sections 22 and 23 of the sent case. There was nothing to show that Emperer to the Princes and other high officers, neatly put it through the uprights, gaining the Ordinance for the purpose of establishing that they knew anything more as to what would and of these to whom H.M. sent meats on that first goal of the game for the Club. The Regi. Now, section 22 said that it should be lawful for be done than might fairly be gathered from day. ment now worked hard to equalise matters, but under certain conditions without a war. With regard to putting the defendant to expense were somewhat unlucky, which in addition to rant, and to take them before a Ma. and all that, what he took it the position of the the splendid play of the Club's backs, prevented gistrate to be dealt with according to law. Opium Farmer would be was this, that when it them fulfilling their desires. The Club were thus left the victors whether a presention, such as the present one, might be initiated in that Court or in a Magis. up under a heavy bond. honour to bring to your notice the following by two goals to will. The following were the trate's Court by an excise officer. He apprehended there was nothing whatever to prevent an rotaining the opium. It is a fine of \$20. excise officer doing so, and he was the person one understood the opium was given up. might expect would do so. The question was not as to the legality of the arrest, but, so far as pending the appeal. it could be separated from the other issues, as to the locus standi of the excise officer under this Ordinance. Assuming for the moment that the offence had been committed, and there was no other objection except that the presecution was undertaken in the name of the excise officer, his friend had not quoted a single authority to show that that prosecution could not be sustained, it up. He says-" The opium to be retained The next point raised was that this was not an act within the meaning of section 10. He did not perfectly apprehend the scope of that objection, but he gathered from his friend that this was not a moving for the purposes of exportation within the nescring of the act. He submitted that reading the section as it stood this was a moving for the purposes of exportation. It was either in itself an act of expertation or an act in the process of exportation. The conduct of the parties themselves showed this. They applied and he had inflicted a fine of 10 cents and given of for permits for export and were armed with up the opiam, nothing would have been done. Mr. Sercombe Smith in the late large seizure these at the time they were acting in the way complained of. If there was any doubt as to the a nominal fine and I suppose he thought \$20 a Mr. Robinson, instructed by Mr. Ewens, ap reading of this particular section the preamble nominal fine. peared on behalf of the appellant; the Attorney and the whole Ordinance were the proper lights | The Chief Justice-I think \$20 a very sub-

EOST-OFFICE NOTICES.

When Correspondence has been mis-sent of delayed (both of which are liable to happen occasionally) all that the addresses need do is to note on the cover, Sent to -- or Received at 7 mm, or as the case may be, and forward it, without any other writing whatever, to the Postmaster-General. This should be acted on the first time cause of complaint occurs; it is a mistake to let such inafters pass for fear of giving trouble, a course which generally given more trouble in the end.

on board Ship, at the Peak, Kowloon, Aberdean, &c., nor at any private house feven though named in the address) when there is a place of business nearer, at which delivery can be effected. The Postal Guide for 1887, revised to date will be found in the Daily Fress Directory. p. 385 large edition, p. 701 small edition. Phis-

is the only anthorised complete Summary of

LOCAL DELIVERY-No delivery is attempted

Postal information published in Hongkong. The authorised List of Mails issued in connection with this paper is the one published twice each day in our Exten, which, is always corrected to a much later hour than that given A MAIL WILL CLOSE: For Swatow and Shanghai. - Per Canton.
